- Oilfield Heavy Equipment Operators
- HVAC
- Plumbing
- Automotive
- Metal Working & Fabrication
- Appliance Manufacturing
- Small Parts Assembly
- Electronics
- Paper
- Plastics

TESTIMONIAL

DAVID H.
(ELECTRICIAN)

We have used your gloves with very good results. I have used them around a test bed installation project which required a lot of nut and bolt manipulation. Dexterity of the glove was incredible and performance was top notch. Hazards were abundant, sharp edges, hot metal, drill bit shavings and a few others. The glove protected my hands in all conditions and I continue to use them as my daily hand protection around the plant for routine maintenance tasks. This product works great for us.
