16669	3000057	Clear (Respiratory), Anti-Fog	Green	85 - 100	1 each/box; 36 boxes/case
16670	3000058	Clear, Anti-Fog	Smoke	85 - 100	1 each/box; 36 boxes/case

Property	Description
Standards	• Meets ANSI Z87.1+2015 standards for high impact with a D3 rating for droplet and splash protection
Protection	• Impact • 99.9% UVA/UVB/UVC protection • Droplet and Splash Protection
Base Curve	0
Features	• Splash protection goggles in a two-piece frame with a separate soft, cushioning nose piece for enhanced fit and comfort • Indirect ventilation provides increased airflow and minimizes condensation and fogging, while protecting from splashes • Headband buckles are located towards the rear of the goggle frame to limit interference with peripheral vision • Available with a wider nose piece to fit over most half mask respirators • Fits over most prescription eyeglasses • Foam lining for comfort (16668 only) • Available with a wider nose piece to fit over most half mask respirators (16669 only) • Anti-Fog coating to prevent fogging; ideal for humid environments and temperature variances (14387, 16668, 16669, and 16670 only)
Materials	• Polycarbonate lens • PVC Frame and Nose Piece • DPEM foam liner (16668) • Silicone Headband with Nylon Buckle
Storage	• Keep in dry, clean conditions away from direct sunlight and chemical and abrasive substances, and protect against mechanical impacts
Cleaning/Maintenance	• Rinse thoroughly with warm water and dry with a soft cloth • Replace eyewear immediately if visibility is reduced or becomes damaged
Warning	• Exposure to certain chemicals or vapors may cause surface distortion and reduce impact resistance
