Helmet shell is fully enclosed, making it suitable for electrical work

## Comfortable, premium safety helmet

It's time to expect more from your head protection. Engineered to raise industry standards in comfort and fit, the HexArmor® Ceros® XP450AE safety helmet brings you a technologically advanced short-brimmed, non-vented safety helmet with removable four-point chin strap for workers who need secure Class E protection. Inside you'll find a completely pre-assembled, six-point AirBridge® suspension system that provides wearers with a low-profile, balanced center of gravity fit and all-day comfort. Available in a variety of colors, the XP450AE can accommodate a versatile lineup of both Click-and-Go® magnetic accessories and mechanical accessories that seamlessly integrate with the fully enclosed shell for a customizable safety helmet. The Ceros® XP450AE – here to raise the bar in head protection.

### Product features

- Premium HDPE material shell offers high level of protection and durability
- Short brim provides greater upward field of vision
- Slots for easy-to-integrate protection accessories, HexArmor® face shields and earmuffs
- Unique back-of-head coverage offers up to 17%\* more protection
- Removable four-point chin strap
- Premium, moisture-resistant, removable sweatband that extends from ear-to-ear
- SwiftLock® one-hand-turn wheel ratchet is padded for comfort and easy size adjustment
- Unique surface with both matte finish and gloss finish

### AirBridge® suspension system

Pre-assembled into the safety helmet so you can unpack and start wearing immediately, saving you time and frustration

- 1 Standard six-point AirBridge® suspension system ensures optimal comfort and fit
- 2 Straps are ultrasonically welded, eliminating the discomfort and weakness typical of traditional stitching
- 3 Premium, moisture-resistant, removable sweatband that extends from ear-to-ear
- 4 SwiftLock® one-hand-turn wheel ratchet is padded for comfort and easy size adjustment

### Click-and-Go® magnetic or mechanical accessories

- Balanced, nested accessories keep ergonomics at the forefront for less fatigue and strain
- Click-and-Go® magnetic or mechanical accessories are available for quick and convenient compatibility
- Hearing protection with attachment options and varying levels of protection to accommodate different noise levels
- Face shield with TruShield® scratch-resistant, anti-fog coating provides total protection, visual clarity and a closer fit

<sup>o</sup>Warning: earmuffs are not dielectric
