STAYZ-UP ELASTIC

No more slipping! Sleeves with arm openings featuring "STAYz-Up" technology hold up—comfortably gripping onto underlying fabric or skin to ensure sleeves stay in place, and keep you protected no matter what. Unlike other products on the market, we won't let you down.

BETTER FIT – TAPERED SLEEVES

For a more natural fit, sleeves come in a tapered version; these provide extra comfort and staying power. Tapered sleeves are designed to fit the contours of your arm and actually come in sizes. Won't lose shape due to stretching.
